## INFORMATION TO PREVENT POSSIBLE ACCIDENTS AND DISEASES DURING THE TRIP AND THE HOLIDAY

Stomach disorder is the most common disease on trips especially overseas. Many environmental and physical changes may cause this problem. The most important thing to do is to avoid direct sunlight and keep hydrated.

Avoid fried and spicy foods. Our food menu consists of International food varieties, as we have guests from many different nations. Traditional Turkish cuisine may be spicy, hot, and oily...

Avoid direct sun light.

Use sun cream and protective clothes under the sun.

Do not swim excessively or sunbathe after alcohol consumption.

Alcohol consumption may dehydrate the body in hot weather so drink plenty of water.

Our hotel does not serve special food for guests with allergies and cannot be held responsible for any complications that arise due to your allergy.

Please wash your hands with soap and warm water after using restroom and before eating or handling food. Please disinfect your hands at the entrance of the restaurant with automatic disinfectant sprayer

Hand washing is the most effective way of reducing the spread of colds, influenza and other foodborne diseases.

In order to prevent gastrointestinal illnesses -such as Norovirus, which can be transmitted through personal contact – simply wash your hands with soap and warm water for minimum 30 seconds before eating or handling food. Symptoms of Norovirus include an upset stomach, vomiting and diarrhoea. If you have any symptoms of gastrointestinal illness, you must visit to the Hotels' Doctor Office and inform the Reception.

For Your Own Health ;

Please always use the clean plate and silverware to pick up the food from the buffet

Consuming raw or undercooked meats, seafood, shellfish, eggs, milk or poultry may increase your risk of foodborne illness, especially if you have certain medical conditions.

Do not consume if you aware that food is undercooked and please inform Kitchen or Restaurant Chef to change your food if you aware it is undercooked

Pay attention to your allergies and eat at your own risk, Please note that we do not provide a food allergen free environment

Pay attention if you have allergy to insects or bee sting, etc.

Our Hotel is in a natural environment so there may be pests around. We have a pest control system in the Hotel rooms and grounds, but please be aware that you are in a hot climate and there may be insects, bees, birds around due to natural surroundings even though pest control applications.

Please keep your curtains closed and inform reception if you have seen any pest activity in or around your room, pesticide application will be done due to your request....
