

Enorme Serenity Spritz

Hersonissos, Crete

20 Rooms

Enorme Serenity Spritz parked itself in a prime location for a spot of relaxing therapy while it's just a two-minute stroll from the center of Hersonissos. A boutique hotel with adults-exclusive tag and a cocktail – aperitivo concept!

A unique concept based on the mixed travel experience of boutique accommodation with beverage and cocktails. Owned an extra ordinary roof top garden which offers breathless view to the Cretan sea and a detailed menu of signature cocktails. Start your day from the most want-to-be roof garden and taste an exceptional healthy breakfast. Continue to city center or to the beach for all-day tanning. Sunsets are amazing from the roof or the sidewalk in front of reception, where the bar tender creates delicious signature cocktails from the custom-made kerringdon bar placed to serve fizzes, aperols and cocktails for everyone!
