Everland Kids World

Kids are happy here!

Integrated with nature and the digital world, Everland Kids World offers a vibrant, fun-filled environment featuring entertaining and educational activities and workshops designed for all age groups and conducted under the supervision of trained personnel.

At Everland Kids World, young guests can enjoy exciting, fun and educational adventures with competitions, games, artistic activities, vocational and science workshops, and more...

All workshops are complimentary, as are the use of indoor and outdoor playgrounds, the pocket cinema, the Lego Room, the Sports Hall, the Interactive Digital Room, the Technology Room, the Children's Amphitheatre, the outdoor playground and the Children's Restaurant. Special childcare services at Everland Kids World are provided in the Mini Club with a reservation one day in advance.

Everland Kids World Concept

Is designed to appeal to all age groups: infants and toddlers (0-4 years old); mini (04-07 years old); and midi (08-11 years).

It serves between April 1 - October 31, between 10:00 - 13:00, 14:00 - 18:00, 19:00 - 23:00

Everland Kids World Baby Club (0- 3,99 ages)

In the Baby Club Section of the Mini Club, parents and infants enjoy a safe, hygienic, and fun environment accompanied by our team members, while our youngest guests also gain their first socialization experience.

The Baby Room offers a safe crawling corner and a playground equipped with age-appropriate toys, a comfortable changing unit and a breastfeeding corner. The Baby Sleeping Room features infant beds and suitable lighting.

Everland Kids World Mini Club (4-7 ages)

Children have fun and learn at the Mini Club, which combines various activities with entertainment and education under the supervision of trained personnel. The Mini Club offers exciting, fun, and educational adventures with competitions, games, and art and science activities for little guests.

Everland Kids World Midi Club (8-11 ages)

Education and entertainment meet in a series of physical and mental activities carried out under the supervision of trained personnel. With both indoor and outdoor events, our younger guests embark on an exciting, adventurous journey with competitions, games, and art and science activities.

Everland Kids World Vocational Academy

The Vocational Academy section of the Everland Kids World includes the Fire Brigade, Dental Clinic/ Veterinary Clinic/Hospital, Secret Agent, Crime Scene Investigation, Archaeological Excavation Site and Submarine Station.

Vocational Academies stations await all children for new adventures!

Children have fun while preparing for the future by experiencing a day in an adult profession at each station, in accordance with their age.

Children will love the exciting world of mini jobs created in accordance with the original.

Everland Kids World opening hours may vary depending on the number of children.

- Welcome at Everland Kids World Reception, registration with special registration cards.
- Rooms that include child guests (0 -11 years): Teddy bear, milk, baby shampoo, bathrobe (3-12 years) and towel slippers, baby tub, potty.
